

BioFlex™ Active

Joint and General Wellness

TECHNICAL SPECIFICATIONS: Supports Joint Mobility, General Wellness, Healthy Skin and Coat for Active Dogs

PROPERTIES: Advanced joint supplement containing BiovaPlex®, VitaBerry® and Hyaluronic Acid that provides nutritional building blocks to promote natural joint health and flexibility, plus a healthier skin and coat in active dogs. BiovaPlex®, derived from eggshell membrane, has beneficial nutrients for greater joint mobility and a lustrous coat. VitaBerry Hi ORAC Fruit Blend is a source of natural antioxidants that promotes General Wellness (cardiovascular, mental and vision). Hyaluronic Acid helps in joint lubrication and collagen production. Also contains Glycosaminoglycans (GAGs) and MSM (Methylsulfonylmethane) which are the building blocks of cartilage and joint fluid, Creatine to support increased energy levels and Vitamins and Essential Fatty Acids to support overall joint health.
