

# BioCalm™

## Soothing Spray for Relief of Hot Spots

**TECHNICAL SPECIFICATIONS:** A soothing and calming spray to help provide temporary relief of hot spots and non-specific skin irritations in dogs and horses.

**PROPERTIES:** BioCalm Spray with Lidocaine and MicroSilver BG™ soothes and helps to provide temporary relief of pain and itching caused by allergic conditions in dogs. Lidocaine is a local anesthetic. Ceramide III in the formulation helps support healthy skin. Pemulen and Glycofilm provide an immediate soothing effect and a protective surface matrix.

**ACTIVE INGREDIENT:** Lidocaine Hydrochloride 2.4%

**INGREDIENTS:** Purified Water, Glycerin, Propylene Glycol, Polysorbate 80, Cellulose Gum, Polysaccharide Gum-4 (Glycofilm), Acrylates/C10-30 Alkyl Acrylate Crosspolymer (Pemulen), Sodium Benzoate, Methylchloroisothiazolinone, Methylisothiazolinone, MicroSilver, N-Octadecanoylphytosphingosine (Ceramide III) and Disodium EDTA.

**SPECIES:** Dogs and Horses

**DIRECTIONS FOR USE:** Shake well before use. Spray 2 or 3 pumps on affected areas as directed by your veterinarian.

**PRECAUTIONS:** Indicated for topical use on dogs and horses. Do not use on cats. Avoid contact with the eyes. If eye contact occurs, rinse thoroughly with water and contact a veterinarian. If irritation persists or increases, discontinue use and consult a veterinarian. Do not apply to entire body or to large areas of broken skin. Wash hands after use.

**STORAGE:** Store at room temperature. Protect from freezing.

**AVAILABLE THROUGH LICENSED VETERINARIANS ONLY**

**PRESENTATION: 2oz**
